Product Description

SmartLife Lily Medium

[video width="540" height="540" mp4="http://boisemattress.com/wp-content/uploads/2021/01/SmartLife_App.mp4"][/video] 4#RMF™ (responsive memory foam)

- This high density memory foam responds and conforms to your body contours to evenly distribute weight preventing pressure points and less tossing and turning.

HypurGel

- This highly resilient gel infused memory foam responds and adapts to your body's movements to maintain an optimal sleeping surface temperature.

Patented Body Sensing Technology

- Smartlife's patented Body Sensing Technology automatically adjusts to each individual's unique body shape, height and weight. It continuously monitors and adjusts to the individual's sleep position to ensure proper support and pressure relief is given for the perfect night's rest.

Smartcell Technology

- Smartlife's Smart Cell Technology incorporates 80 individual Smart cells and 8 independently controlled zones from head to toe.

Massaging Relaxation Mode

- Utilizing the SmartLife App, select the Relaxation Mode which gently massages you from head to toe.

Warranty

- 25 years

****All floor models are sanitized with UV and Steri Fab to ensure complete sanitization.****
