Layers

- Quilted cover
 - A high quality 450GSM washable quilted cover, this fabric is designed to work with the body's natural thermal capabilities. It helps you to feel warm when you are cold and cool when you feel hot.
- Fireproof Cloth
 - All Natural Organic Cotton is wrapped all the way around the Haven Premier. This fabric is eco-friendly, healthy and allows for exceptional airflow.
- 3" Haven cooling buoyancy foam
 - Where the magic happens: Our custom blended foam with gel infusion, reacts faster than memory foam and has better support for more pressure relief, all while sleeping cooler.
- 2" Supportive transition foam layer
 - Perforated holes that help the mattress breath and provide extra responsiveness.
- 7" Haven high density foam base
 - 7" Haven High Density Foam Base - At 7" our bases provide superior stability for every layer. It's one reason our Haven foam gel mattresses have at least 1" extra height compared to other brands And at 2.4lb of foam core density, this is at least 30% more than the market average, making it extra durable
- Fireproof Cloth
 - All Natural Organic Cotton is wrapped all the way around the Haven Premier. This fabric is eco-friendly, healthy and allows for exceptional airflow.

- Base cover
 - A washable, durable and replaceable layer to keep your mattress clean. Just unzip at the side and it's ready to be removed for cleaning.
