Product Description

Classic- DreamCloud Tight Top 14"

If you appreciate a firm mattress and your partner prefers a soft one, here's your ticket to compromise. DreamCloud gives you contouring comfort and pushback support so you both wake up happy. Whether you sleep on your side, back or awkwardly wedged between your cat and partner, individually wrapped coils adapt to your sleep shape. Gel memory foam cradles your shoulders, hips and problem areas by gently contouring to your body. Thanks to the cashmere top and luxe comfort layers, you sleep through it all.
