### Product Description

## Remedy II Adjustable Foundation

Rize Remedy II has Edge-to-edge lumbar support and optimal options for comfort, all at a low cost. The Remedy II includes five preset positions, a programmable remote, two heavy-duty lift motors, and USB outlets. A voice-powered app is also available to control the bed and save your favorite positions. Added massage enhances your rest & relaxation. King and California King sizes are available as one piece.

- Edge-to-edge adjustable lumbar support
  - Five pre-programmed positions: flat, anti-snore, zero gravity, incline, and leisure lounge
  - Save your own settings in the programmable remote and voice-powered app
  - Therapeutic massage for enhanced relaxation
-
