### Product Description

## Theralux Cascade

The Cascade Plush is a model in the ultra-premium Therapedic® TheraLuxe HD™ collection. It rates a 6 on our 1-10 (hard to soft) plushness scale. The Cascade Plush is a popular model for those who desire an incredibly durable product that will offer a comfort life that can triple most "premium" brands. The surface plushness is plush yet supportive, with a slightly contouring support from the pocketed complete Quantum innerspring that is unparalleled within the industry, resulting in a medium-soft comfort
