### Product Description

## ZONED DOUGH® + BAMBOO CHARCOAL

Infused with bamboo charcoal to regulate humidity, temperature and odors, the Zoned Dough® + Bamboo Charcoal pillow is paired with Zoned Dough® technology for one of the best sleep materials available. Its Zoned Technology™ cradles the head with larger holes on the inside while supporting the neck with smaller holes on the outside. Additionally, the Dough® formula creates a softer, more supportive memory foam that is naturally antimicrobial and hypoallergenic creating clean, long-lasting comfort. Accompanying the pillow is a Tencel™ removable cover with superior moisture-management properties that aids in optimal sleeping temperatures.

- Infused with bamboo charcoal to regulate humidity, temperature and odors
  - Ventilated for increased air circulation and breathability
  - Zoned comfort cradles the head while supporting the neck
  - Dough® formula creates a softer, more supportive memory foam
  - Tencel™ removable cover
-
